# THE MAP

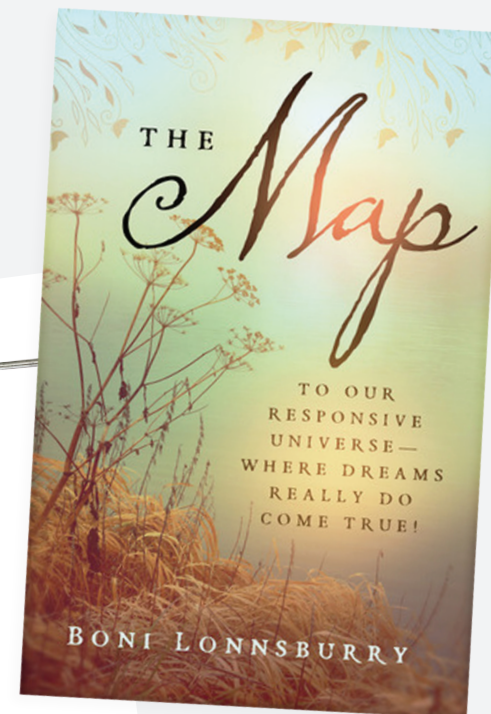

To Our Universe, Where Dreams  
Really Do Come True!  
By: Boni Lonnsburry

*We live in a Universe  
that actually wants you to  
"have it all"...*

But if you've been frustrated in your attempts to create the kind of life you can love — a life of boundless joy, love, and material abundance — then here at last is the missing key. *The Map* doesn't just tell you what is possible in this life — it shows you, step-by-simple-step, exactly how to get from Point A (where you are) to Point B (where your greatest heartfelt dreams are found).

Jam-packed with plenty of delicious detail, this "GPS to your dreams" can help you pinpoint an exact path to creating the life you were born to live.

*The Map* also includes a powerfully simple Daily Checklist of steps so you can create your dream life as quickly and elegantly as possible.
